

First	Last	Appointment	Tags	Email	Institution	Department	Title	Phone
Mohamed	Aboushanab	Extension	rivers	maboushanab2@unl.edu	University of Nebraska - Lincoln	Extension	Geoscientist	308-632-1230
Jiri	Adamec	Research	health water quality Daugherty Water for Food Fellow	jadamec2@unl.edu	University of Nebraska - Lincoln	Biochemistry	Associate Professor	402-472-7369
David	Admiraal	Teaching Research	Daugherty Water for Food Fellow	dadmiraal2@unl.edu	University of Nebraska - Lincoln	Civil & Environmental Engineering	Associate Professor	402-472-8568
Nirupam	Aich	Teaching Research	water quality water treatment PFAS	nirupam.aich@unl.edu	University of Nebraska - Lincoln	Civil & Environmental Engineering	Associate Professor	402-472-2371
David	Aiken	Extension Research	water law environmental law water quality water management nitrate Daugherty Water for Food Fellow nitrate	daiken1@unl.edu	University of Nebraska - Lincoln	Agricultural Economics	Professor	402-472-1848
Craig	Allen	Director	resilience water quantity water quality nitrate Daugherty Water for Food Fellow nitrate	callen3@unl.edu	University of Nebraska - Lincoln	Center for Resilience in Working Agricultural Landscapes	Director and Research Professor	402-472-0229
James	Allen	Research	algae water purification	jallen7@unl.edu	University of Nebraska - Lincoln	Biochemistry	Research Professor	402-472-6505
Katie	Anania	Research Teaching	environmental humanities science communication art Daugherty Water for Food Fellow	kanania2@unl.edu	University of Nebraska - Lincoln	School of Art	Assistant Professor	402-472-5534
Mark	Anderson	Research	climate change	manderson4@unl.edu	University of Nebraska - Lincoln	Earth & Atmospheric Sciences	Professor	402-472-6656
Ozgur	Araz	Research Teaching	supply chain decision science Daugherty Water for Food Fellow	oaraz2@unl.edu	University of Nebraska - Lincoln	College of Business	Associate Professor	(402) 472-2840
Tala	Awada	Administration	Daugherty Water for Food Fellow	tawada2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Associate Dean and Professor	402-472-8483

P. Stephen	Baenziger	Research	plant breeding wheat drought Daugherty Water for Food Fellow	pbaenziger1@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Professor	402-472-1538
Simanti	Banerjee	Research	water quality nitrate Daugherty Water for Food Fellow	simanti.banerjee@unl.edu	University of Nebraska - Lincoln	Agricultural Economics	Associate Professor	402-472-4926
Shannon	Bartelt-Hunt	Research Administration	monitoring water quality health nitrate Da ugherty Water for Food Fellow NWC Advisory	sbartelt@unl.edu	University of Nebraska - Lincoln	Civil & Environmental Engineering	Professor	402-554-3868
Andrea	Basche	Research Teaching	cover crops soil health nitrate Prairie Streams Daugherty Water for Food Fellow	abasche2@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Associate Professor	402-472-6413
Erin	Bass	Research Teaching	corporate social responsibility Daugherty Water for Food Fellow	aebass@unomaha.edu	University of Nebraska - Omaha	Business Administration	Associate Professor	402-554-2547
Deb	Bathke	Extension	drought science communication National Drought Mitigation Center	dbathke2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Research Associate Professor	402-472-6199
Ben	Beckman	Extension	cover crops nitrate	ben.beckman@unl.edu	University of Nebraska - Lincoln	University of Nebraska Extension	Extension Educator	402-254-6821
John	Beghin	Research	economics policy Daug herty Water for Food Fellow	beghin@unl.edu	University of Nebraska - Lincoln	Agricultural Economics	Professor	402-472-2749
Ruben	Behnke	Administration	climate	rbehnke2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Mesonet Manager	402-472-9180
Jesse	Bell	Research	health climate change water quality nitrate Daugherty Water for Food Fellow nitrate	jesse.bell@unmc.edu	University of Nebraska Medical Center	College of Public Health	Professor	402-552-7237

David	Billesbach	Research	ET Daugherty Water for Food Fellow	dbillesbach1@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Research Assistant Professor	402.472.7961
Georgina	Bingham	Research	health integrated pest management Daugherty Water for Food Fellow	gbingham@unl.edu	University of Nebraska - Lincoln	Entomology	Research Associate Professor	202-304-2323
Patrick	Bitterman	Research Teaching	water quality goverance Daugherty Water for Food Fellow	patrick.bitterman@unl.edu	University of Nebraska - Lincoln	School of Global Integrative Studies	Assistant Professor	402-472-7078
Humberto	Blanco	Research Teaching	cover crops soil health nitrate	hblanco2@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Professor	402-472-1510
Vijendra	Boken	Research	remote sensing health water quality Daugherty Water for Food Fellow	bokenv1@unk.edu	University of Nebraska - Kearney	Geography & Earth Science	Professor	308-865-8357
Chad	Brassil	Research	ecology	cbrassil2@unl.edu	University of Nebraska - Lincoln	School of Biological Sciences	Professor	402-419-0076
Emma	Brinley Buckley	Research	ecology science communication Prairie Streams	brinleybuckleyem@unk.edu	University of Nebraska - Kearney	Communication	Research Associate	308-865-8736
Nick	Brozovic	Administration	policy water markets water quantity	nbrozovic@nebraska.edu	University of Nebraska	Daugherty Water for Food Global Institute	Director of Policy	402-472-5145
Mark	Burbach	Extension Research	human dimensions Daugherty Water for Food Fellow nitrate water leaders academy	mburbach1@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Professor	402-472-8210
Chuck	Burr	Extension	irrigation nitrate	chuck.burr@unl.edu	University of Nebraska - Lincoln	University of Nebraska Extension	Extension Educator	308-696-6783
Jean	Cahan	Teaching	water security Daugherty Water for Food Fellow	jcahan1@unl.edu	University of Nebraska - Lincoln	Philosophy	Senior Lecturer	402-472-2346
Edgar	Cahoon	Research	genetics Daugherty Water for Food Fellow	ecahoon2@unl.edu	University of Nebraska - Lincoln	Biochemistry	Professor	

Kathleen	Cameron	Research	monitoring nitrate water quality water quantity Eastern Nebraska Water Resources Assessment	kcameron2@unl.edu	University of Nebraska - Lincoln	Conservation & Survey Division - SNR	Hydrogeologist	402-476-2729
Mehmet	Can Vuran	Research	precision ag soil moisture data water quantity IoT wireless connectivity Daugherty Water for Food Fellow	mvuran2@unl.edu	University of Nebraska - Lincoln	Computer Science & Engineering	Professor	402-472-5019
John	Carroll	Research Teaching	Daugherty Water for Food Fellow	jcarroll2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Professor	402-472-8368
Dirk	Charlson	Extension	digital ag	dirk.charlson@unl.edu	University of Nebraska - Lincoln	Extension	Extension Educator	
Christopher	Chizinski	Research	fish lakes rivers human dimensions	cchizinski2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Associate Professor	402-472-8123
Ruby	Collins	Extension	EZ4	rcollins16@unl.edu	University of Nebraska - Lincoln	Extension	Extension Educator	308-345-3390
Steve	Comfort	Research Extension	remediation groundwater	scomfort@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Professor	402-472-1502
Caro	Cordova	Extension Teaching	soil health cover crops	ccordova4@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Assistant Professor	402-472-6292
Jessica	Corman	Research	lakes rivers water quality nitrate Prairie Streams Daugherty Water for Food Fellow	jcorman3@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Associate Professor	402-327-1220
Don	Coulter	Research	pediatric cancer Daugherty Water for Food Fellow	dwcoulter@unmc.edu	University of Nebraska Medical Center	Pediatric Hematology/Oncology	Professor	
Cody	Creech	Extension	cover crops dryland cropping wheat water quantity nitrate Water for Food faculty fellow	ccreech2@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Associate Professor	308.632.1266

Mohamed	Dahab	Research	wastewater treatment water quality nitrate Daugherty Water for Food Fellow	mdahab@unl.edu	University of Nebraska - Lincoln	Civil & Environmental Engineering	Professor	(402) 472-5020
Aaron	Daigh	Research Teaching	water quality nitrate Daugherty Water for Food Fellow	adaigh2@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Associate Professor	402-472-6349
Samantha	Daniel	Extension	EZ4 entomology IMP	samantha.daniel@unl.edu	University of Nebraska - Lincoln	Extension	Extension Educator	308-352-4340
Jenny	Dauer	Research Teaching	science literacy Daugherty Water for Food Fellow	jenny.dauer@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Associate Professor	402-472-8136
Karen	Deboer	Extension	crop water use	kdeboer1@unl.edu	University of Nebraska - Lincoln	University of Nebraska Extension	Extension Educator	308-254-4455
Christopher	Decker	Teaching Research	economics Daugherty Water for Food Fellow	christopherdecker@unomaha.edu	University of Nebraska - Omaha	Economics	Professor	402-554-2828
Carrick	Detweiler	Research	drones wetlands Daugherty Water for Food Fellow	carrick@cse.unl.edu	University of Nebraska - Lincoln	Computer Science & Engineering	Professor	(402) 472-2449
Judy	Diamond	Teaching	science literacy science communication Daugherty Water for Food Fellow	jdiamond1@unl.edu	University of Nebraska - Lincoln	University Museum	Professor	402-472-4433
Concetta	DiRusso	Research	treatment water quality nitrate Daugherty Water for Food Fellow	cdirusso2@unl.edu	University of Nebraska - Lincoln	Biochemistry	Professor	402-472-6504
David	Dunigan	Research Teaching	lakes virus Prairie Streams	ddunigan2@unl.edu	University of Nebraska - Lincoln	Plant Pathology	Research Professor	402.472.5776
Lisa	Durso	Research	manure microbiology	lisa.durso@ars.usda.gov	University of Nebraska - Lincoln	USDA-ARS	Research Microbiologist	402-472-9622

Bruce	Dvorak	Extension Teaching Research	wastewater treatment water quality water supply food processing nitrate Daugherty Water for Food Fellow	bdvorak1@unl.edu	University of Nebraska - Lincoln	Civil & Environmental Engineering	Professor	402-472-3431
Galen	Erickson	Extension Research	beef water quantity Daugherty Water for Food Fellow	gerickson4@unl.edu	University of Nebraska - Lincoln	Animal Science	Professor	402-472-6402
Jessica	Fargen Walsh	Research Teaching	science communication Daugherty Water for Food Fellow	jwalsh5@unl.edu	University of Nebraska - Lincoln	College of Journalism and Mass Communication s	Assistant Professor	402-472-3099
Mike	Farrell	Teaching	rivers lakes science communication Daugherty Water for Food Fellow	mfarrell@unl.edu	University of Nebraska - Lincoln	Agricultural Leadership, Education & Communication	Assistant Professor of Practice	
John	Fech	Extension	trees turf landscape irrigation	jfech1@unl.edu	University of Nebraska - Lincoln	University of Nebraska Extension	Extension Educator, SREC	402-444-7804
Kelly	Feehan	Extension	trees turf rain garden landscape nitrate	kfeehan2@unl.edu	University of Nebraska - Lincoln	University of Nebraska Extension	Extension Educator	402-563-4901
Irina	Filina	Research Teaching	hydrogeology Daugherty Water for Food Fellow	ifilina2@unl.edu	University of Nebraska - Lincoln	Earth & Atmospheric Sciences	Assistant Professor	
Mike	Forsberg	Teaching	rivers lakes science communication Prairie Streams Daugherty Water for Food Fellow	mforsberg2@unl.edu	University of Nebraska - Lincoln	Agricultural Leadership, Education & Communication	Assistant Professor of Practice	
Trenton	Franz	Research	soil moisture Daugherty Water for Food Fellow	trenton.franz@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Associate Professor	(402) 472-8718
Mailson	Freire de Oliveira	Extension	EZ8	mfreiredeoliveira2@unl.edu	University of Nebraska - Lincoln	Extension	Extension Educator	402-727-2775
Geoffrey	Friesen	Research Teaching	economics Daugherty Water for Food Fellow	gfriesen2@unl.edu	University of Nebraska - Lincoln	College of Business	Associate Professor	402-472-0851

Sheri	Fritz	Research	climate change lakes Daugherty Water for Food Fellow	sfritz2@unl.edu	University of Nebraska - Lincoln	Earth & Atmospheric Sciences	Professor	402-472-6431
Brian	Fuchs	Research	drought water quantity National Drought Mitigation Center Daugherty Water for Food Fellow	bfuchs2@unl.edu	University of Nebraska - Lincoln	National Drought Mitigation Center	Climatologist	402-472-6775
Lilyan	Fulginiti	Research	economics water quantity engagement Daugherty Water for Food Fellow	lfulginiti1@unl.edu	University of Nebraska - Lincoln	Agricultural Economics	Professor	402-472-0651
John	Gamon	Research Teaching	remote sensing Daugherty Water for Food Fellow	jpgamon@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Professor	402-472-7529
Roch	Gaussoin	Extension	turf water quantity Daugherty Water for Food Fellow	rgaussoin1@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Professor	402-472-1555
Yufeng	Ge	Research	remote sensing sensors Daugherty Water for Food Fellow	yge2@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Professor	402-472-3435
John	Gilley	Research	manure water quality soil	John.Gilley@ars.usda.gov	University of Nebraska - Lincoln	USDA-ARS	Research Agricultural Engineer	(402) 472-2975
Troy	Gilmore	Research Extension	groundwater water quality Prairie Streams Daugherty Water for Food Fellow	gilmore@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Associate Professor	402-470-1741
Katarzyna	Glowacka	Research	genetics drought	kglowacka2@unl.edu	University of Nebraska - Lincoln	Biochemistry	Assistant Professor	402-472-2923
Dave	Gosselin	Research	water quality	dgosselin2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Professor	402-472-8919
Patricio	Grassini	Research	nutrient management irrigation water quantity water quality nitrate Daugherty Water for Food Fellow	pgrassini2@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Professor	402 472 5554

Junke	Guo	Research	modeling water flow Daugherty Water for Food Fellow	jguo2@unl.edu	University of Nebraska - Lincoln	Civil & Environmental Engineering	Associate Professor	(402) 554-3873
Christopher	Gustafson	Research	health water quality economics behavior Daugherty Water for Food Fellow	cgustafson6@unl.edu	University of Nebraska - Lincoln	Agricultural Economics	Associate Professor	402-472-2336
Yeongjin	Gwon	Research	statistics health Daugherty Water for Food Fellow	yeongjin.gwon@unmc.edu	University of Nebraska Medical Center	Biostatistics	Assistant Professor	402-559-7114
Erin	Haacker	Research	modeling water quantity Daugherty Water for Food Fellow	ehaacker2@unl.edu	University of Nebraska - Lincoln	Earth and Atmospheric Sciences	Assistant Professor	(402) 472-2626
David	Hage	Research	water analysis water quality emerging contaminants	dhage1@unl.edu	University of Nebraska - Lincoln	Chemistry	Professor	(402) 472-2744
Doug	Hallum	Research	water management modeling water quantity groundwater surface water interaction	dhallum2@unl.edu	University of Nebraska - Lincoln	Conservation & Survey Division - SNR	Research Specialist	308-696-6743
Mary	Harner	Research	rivers wetlands science communication science literacy Prairie Streams Daugherty Water for Food Fellow	harnermj@unk.edu	University of Nebraska - Kearney	Communication and Biology	Research Professor	(308) 865-8639
Mike	Hayes	Research	drought water quantity climate Daugherty Water for Food Fellow national drought mitigation center	mhayes2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Professor	402-472-4271
Derek	Heeren	Research	irrigation great plains internationalvasd ose zone water quantity nitrate Daugherty Water for Food Fellow	derek.heeren@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Associate Professor	402-430-9423

Rachael	Herpel	Administration		rherpel@nebraska.edu	University of Nebraska	Daugherty Water for Food Global Institute	Assistant Director	402-472-4977
A. Bryce	Hoflund	Research	food water quantity health	ahoflund@unomaha.edu	University of Nebraska - Omaha	School of Public Administration	Associate Professor	402.554.4042
Steve	Hu	Extension Research	climate change climate	qhu2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Professor	402-472-6642
Eric	Hunt	Extension	climate	ehunt2@unl.edu	University of Nebraska - Lincoln	Extension School of Natural Resources	Assistant Extension Educator	402-617-4190
David	Hyten	Research	plant breeding soybean drought	david.hyten@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Professor	402-472-3255
David	Iaquinta	Research		dli@nebrwesleyan.edu	Nebraska Wesleyan	Sociology and Anthropology	Professor	(402) 465-2426
Javed	Iqbal	Extension Research	nutrient management nitrate water quality Daugherty Water for Food Fellow	javed.iqbal@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Assistant Professor	402-472-1432
Matt	Joeckel	Research	Eastern Nebraska Water Resources Assessment	rjoeckel3@unl.edu	University of Nebraska - Lincoln	Conservation & Survey Division - SNR	Associate Director	402-472-7520
Leslie	Johnson	Extension	manure nutrient management soil health	leslie.johnson@unl.edu	University of Nebraska - Lincoln	Extension	Extension Educator	402-584-3818
David	Jones	Teaching Research		david.jones@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Professor	
Michael	Kaiser	Research Teaching	soil health soil carbon	mkaiser6@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Assistant Professor	402-472-6492
John	Kalu Osiri	Administration Teaching	international business drinking water Daugherty Water for Food Fellow	josiri@unl.edu	University of Nebraska - Lincoln	College of Business	Professor of Practice	(402) 472-2183
Abia	Katimbo	Extension Research	irrigation Daugherty Water for Food Fellow	abia.katimbo@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Assistant Professor	

Deepak	Keshwani	Research	modeling water quantity Daugherty Water for Food Fellow	dkeshwani2@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Associate Professor	(402) 472-6714
Jennifer	Keshwani	Extension Teaching	science literacy Daugherty Water for Food Fellow	jkeshwani@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Associate Professor	402-472-9614
Ayse	Kilic	Research	remote sensing ET Daugherty Water for Food Fellow	akilic@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Professor	402-421-7864
Kristina	Kintziger	Research	water quality health Daugherty Water for Food Fellow	kkintziger@unmc.edu	University of Nebraska Medical Center	Environmental, Agricultural & Occupational Health	Associate Professor	
Cody	Knutson	Research	drought National Drought Mitigation Center Daugherty Water for Food Fellow	cknutson1@unl.edu	University of Nebraska - Lincoln	National Drought Mitigation Center	Research Professor	402-472-6718
Katja	Koehler-Cole	Extension	cover crops nitrate	kkoeehlercole2@unl.edu	University of Nebraska - Lincoln	Extension	Extension Educator	402-472-1451
Jesse	Korus	Extension Research	monitoring groundwater management Eastern Nebraska Water Resources Assessment nitrate Daugherty Water for Food Fellow	jkorus3@unl.edu	University of Nebraska - Lincoln	Conservation & Survey Division - SNR	Associate Professor	402-472-7561
Sue	Lackey	Research Extension	groundwater	slackey1@unl.edu	University of Nebraska - Lincoln	Conservation & Survey Division - SNR	Geoscientist	402-370-4007
Ritika	Lamichhane	Extension	EZ11 nutrient management digital ag	rlamichhane3@unl.edu	University of Nebraska - Lincoln	Extension	Extension Educator	402-274-4755
Michael	Leite	Teaching		mleite@csc.edu	Chadron State College	Natural Sciences	Professor	308-432-6377
Bruno	Lena	Extension	water quality soil health nutrient management precision ag	bpatiaslena2@unl.edu	University of Nebraska - Lincoln	Extension EZ 7	Extension Educator	402-563-4901

Yusong	Li	Research	water quality climate change nitrate Daugherty Water for Food Fellow	yli7@unl.edu	University of Nebraska - Lincoln	Civil & Environmental Engineering	Associate Dean and Professor	402-472-5972
Xu	Li	Research	manure wastewater nitrate Daugherty Water for Food Fellow	xuli@unl.edu	University of Nebraska - Lincoln	Civil & Environmental Engineering	Professor	402-472-6042
Adam	Liska	Research	modeling water quantity Daugherty Water for Food Fellow	aliska2@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Associate Professor	402-472-8744
Andrew	Little	Extension Research	precision conservation nitrate Prairie Streams Daugherty Water for Food Fellow	alittle6@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Assistant Professor	402-219-1913
Tingting	Liu	Research	drought	tliu19@unl.edu	University of Nebraska - Lincoln	School of Natural Resources National Drought Mitigation Center	Drought Policy & Impact Analyst	402-472-8121
Peter	Longo	Research Teaching	water quality policy Daugherty Water for Food Fellow	longop@unk.edu	University of Nebraska - Kearney	Political Science	Professor	(308) 865-8039
Rachel	Lookadoo	Research	climate health law Daugherty Water for Food Fellow	rachel.lookadoo@unmc.edu	University of Nebraska Medical Center	Epidemiology	Assistant Professor	402-552-9649
Joe	Luck	Extension Research	nutrient mangement SENSE on-farm research Daugherty Water for Food Fellow nitrate	jluck2@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Professor	(402) 472-1488
Satoshi	Machida	Teaching	Daugherty Water for Food Fellow	machidas1@unk.edu	University of Nebraska - Kearney	Politial Science	Professor	308-865-1555

Bijesh	Maharjan	Extension	nutrient mangement soil health water quality nitrate Daugherty Water for Food Fellow	bmaharjan@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Assistant Professor	308-632-1372
Rezaul	Mahmood	Administration	drought Daugherty Water for Food Fellow	rmahmood2@unl.edu	University of Nebraska - Lincoln	High Plains Regional Climate Center	Director, Professor	(402) 472-6166
Gina	Makin	Extension	water leaders academy	gmatkin1@unl.edu	University of Nebraska - Lincoln	Agricultural Leadership, Education and Communication	Professor	402-472-4454
Arindam	Malakar	Research	water quality	amalakar2@unl.edu	University of Nebraska - Lincoln	Nebraska Water Center School of Natural Resources	Assistant Professor	402-472-3253
Martha	Mamo	Administration	Daugherty Water for Food Fellow	mmamo3@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Department Head	402-472-1555
David	Manning	Research Teaching	water quality aquatic ecology ecosystems Prairie Streams	davidmanning@unomaha.edu	University of Nebraska - Omaha	Biology	Assistant Professor	402.554.2641
Peter	McCornick	Administration	NWC Advisory	pmccornick@nebraska.edu	University of Nebraska	Daugherty Water for Food Global Institute	Executive Director	402-472-5145
Patrice	McMahon	Research	water management Daugherty Water for Food Fellow	pmcmahon2@unl.edu	University of Nebraska - Lincoln	Political Science	Professor	402-472-8016
Patrick	McNamara	Teaching	Daugherty Water for Food Fellow	pmcnamara@unomaha.edu	University of Nebraska - Omaha	Politial Science	Instructor	402-554-2389
Steve	Melvin	Extension	irrigation on-farm research nitrate	steve.melvin@unl.edu	University of Nebraska - Lincoln	University of Nebraska Extension	Extension Educator	402-829-6815
Sarah	Michaels	Research	water policy Daugherty Water for Food Fellow	michaels2@unl.edu	University of Nebraska - Lincoln	Political Science	Professor	(402) 472-2300

Taro	Mieno	Research	water quantity precision agriculture water resource management economic s Daugherty Water for Food Fellow	tmieno2@unl.edu	University of Nebraska - Lincoln	Agricultural Economics	Assistant Professor	402 472 4134
Dan	Miller	Research	manure water quality nitrate NWC Advisory	Dan.Miller@ars.usda.gov	University of Nebraska - Lincoln	USDA-ARS	Research Microbiologist	402-472-0741
Andrew	Miller	Research	water quality nitrate	andrewmiller@unomaha.edu	University of Nebraska - Omaha	Chemistry	Associate Professor	402.554.3641
Aaron	Mittelstet	Research Teaching	modeling surface water groundwater Prairie Streams Daugherty Water for Food Fellow	amittelstet2@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Associate Professor	(402) 472-1427
Nathan	Mueller	Extension	nutrient management soil health cover crops nitrate wheat on-farm research	nathan.mueller@unl.edu	University of Nebraska - Lincoln	University of Nebraska Extension	Extension Educator	402-727-2775
Francisco	Munoz-Arriola	Research	groundwater water quantity climate change Daugherty Water for Food Fellow	fmunoz@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Associate Professor	402-472-0850
Laura	Nagengast	Extension	water quality health climate	lnagengast3@unl.edu	University of Nebraska - Lincoln	Extension	Extension Educator	402-472-2201
Christopher	Neale	Administration	irrigation ET	cneale@nebraska.edu	University of Nebraska	Daugherty Water for Food Global Institute	Director of Policy	402-472-5359
Siamak	Nejati	Research	treatment water quality Daugherty Water for Food Fellow	snejati2@unl.edu	University of Nebraska - Lincoln	Chemical and Biomolecular Engineering	Associate Professor	(402) 472-3232
John	Nelson	Extension	water quality soil health nutrient management	jnelson158@unl.edu	University of Nebraska - Lincoln	Extension EZ 9 EZ 11	Extension Educator	402-441-7180
Lia	Nogueira-Rodriguez	Research	economic food water quantity Daugherty Water for Food Fellow	lia.nogueira@unl.edu	University of Nebraska - Lincoln	Agricultural Economics	Associate Professor	402-472-4387

Aaron	Nygren	Extension	nutrient management nitrate irrigation	anygren2@unl.edu	University of Nebraska - Lincoln	University of Nebraska Extension	Extension Educator	402-352-3821
Sorab	Panday	Research	modeling groundwater	sp@gsi-net.com	University of Nebraska - Lincoln	Biological Systems Engineering	Research Professor	571-238-6916
Jay	Parsons	Extension	economics risk management	jparsons4@unl.edu	University of Nebraska - Lincoln	Agronomy and Horticulture	Professor	402-472-1911
Mark	Pegg	Research	fish lakes water quality Prairie Streams	mpegg2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Professor	402-472-6824
Katie	Pekarek	Extension	water quality nitrate lakes	kpekarek2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Extension Educator	402-413-1166
Lisa	Pennisi	Teaching	science communication conservation behavior change	lpennisi2@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Natural Resources Specialist	402-472-5875
Richard	Perrin	Research	engagement irrigation water quantity Daugherty Water for Food Fellow	rperrin1@unl.edu	University of Nebraska - Lincoln	Agricultural Economics	Professor	402-472-9818
Santosh	Pitla	Research	weather station robotics drones Daugherty Water for Food Fellow	spitla2@unl.edu	University of Nebraska - Lincoln	Biological Systems Engineering	Associate Professor	859-351-0485
Kevin	Pope	Administration	fish lakes ecology recreational fisheries Prairie Streams	kpope2@unl.edu	University of Nebraska - Lincoln	Nebraska Cooperative Fish & Wildlife Research Unit	Unit Leader	402-472-7028
Larkin	Powell	Administration	fish wildlife birds Prairie Streams Daugherty Water for Food Fellow	lpowell3@unl.edu	University of Nebraska - Lincoln	School of Natural Resources	Director and Professor	402-472-6825
Crystal	Powers	Extension	science communication engagement water quality water quantity nitrate	cpowers@nebraska.edu	University of Nebraska	Nebraska Water Center, Nebraska Extension	Research and Communications Specialist	402-472-9549
Travis	Prochaska	Extension	EZ7 entomology IPM	tprochaska2@unl.edu	University of Nebraska - Lincoln	Extension	Extension Educator	402-352-3821
